

Additional Charges Applicable

Firewood

Due to the large volume of firewood used in the Boma, a nominal Firewood Levy will apply.

The rate per night for firewood is \$150.

The cost of importing firewood has increased.

We encourage guests to please be considerate and not use excessive or unnecessary amounts of Firewood in this area.

Damages

We request that all guests please leave the property in the same condition that they found it.

A post event inspection will be conducted. We hold a security bond to cover any damages or breakages which may have occurred. You will be advised of this prior to any deductions being made from your bond. You may then choose to recover costs from your guests, this is entirely up to you.

Important Notice

Please consider our natural environment, we have a total ban on the following:

- No Confetti
- No Glitter
- No artificial flowers and plastic rose petals
- No open flames or associated devices like fireworks to be lit on the property

Refuse

There is no additional charge for refuse removal from the property.

Water

Please be considerate to our natural resources, we do not use council water.

We make use of all our water supply by collecting rainwater from our rooftops.
